WHAT	Gone Fishing , an evening of fishing, conversation, and s'mores by the fire pit for the young people in the Let's Talk About It Cincy Life Skills Group. The event gives youth a healthy, practical way to decompress and opens a natural door to honest talk about stress and self-care.

WHERE	Madi's House , 2360 Kipling Avenue, Cincinnati, Ohio 45239
WHO	Let's Talk About It Cincy (LTAI Cincy) , a community engagement and wellness program serving youth, families, and communities across Cincinnati and Hamilton County Madi's House , host partner and home base for LTAI Cincy's 2026 fall and holiday series Fifth Third Bank , LTAI Cincy's 2026 program event sponsor
WHY	Gone Fishing is built on a simple idea: a mental break can be as simple as time by the water. It reflects LTAI Cincy's belief that meaningful change begins with conversation, and that conversation comes easier when people feel relaxed and connected. The event is a real example of a community program, a local host, and a hometown business working together to support Cincinnati youth.
VISUALS	Young people fishing together in an outdoor setting, youth and LTAI Cincy leaders in conversation, and the evening closing with s'mores around the fire pit.
INTERVIEWS	Gina F. Marr-Hawkins, QMHS, OCPSA , who leads LTAI Cincy, is available on site to speak about Gone Fishing, youth mental wellness, and the 2026 fall and holiday series.
MEDIA NOTE	Many participants are youth. Please check in with Gina on arrival so she can help coordinate photography, video, and any interviews with participants.
